# Technion Network Account and Email

## 1. Technion Network Account

- New users are assigned network account with username and secret code.
- To activate your account
  - Connect to GTIIT-SEC
  - Go to the password self-service system  
<http://techwww.technion.ac.il/new-account/en>

The screenshot shows the Technion Israel Institute of Technology logo and name at the top left, with a hamburger menu icon at the top right. Below the logo is the text "The Division for Computing and Information Systems - Computer Accounts". The main content area is titled "Identification" and contains two input fields: "I.D. Number" and "Secret Code". The "Secret Code" field has a toggle icon to its right. Below the input fields are two buttons: "Continue" and "I have no Secret Code".

## 2. Technion Email

- Email address/account is [username@campus.technion.ac.il](mailto:username@campus.technion.ac.il)
- Access your email at <http://outlook.technion.ac.il/en>
- Configure inbox rule to automatically forward all messages to GTIIT mailbox.
